## SPEAKER SERIES: JOURNALIST STEVE KRASKE

We listen to him on his KCUR news program "Up to Date" every weekday at 11:00 — now we have the chance to hear him speak in person!

Acclaimed journalist Steve Kraske is coming to BSP to share stories of his award-winning career in both print and broadcast journalism, including work at *The Kansas City Star* as political correspondent covering national, state and local campaigns from 1994-2013. He is an associate teaching professor of journalism at UMKC and has hosted "Up to Date" since 2002. From 2013-2016, he was a part-time columnist for *The Star* and now serves on the newspaper's editorial board.

Before arriving in Kansas City, he worked at daily newspapers in Iowa and Illinois and at United Press International in Madison, Wisconsin. Kraske is a graduate of the University of Wisconsin-Madison where he received a bachelor's degree in journalism. He was a 1992 John S. Knight Journalism Fellow at Stanford University. Kraske has won awards for both his print and radio work and has appeared on NPR, CNN and Fox. Join us to hear about his storied career at **3:00 on Monday, June 5, in the Westport Room.**

## SPEAKER SERIES: CLARA ANDERSON SAINTE WITH GILDA'S CLUB

"You have cancer." Three life-changing words — not only for the person diagnosed, but for their families and friends as well. The mission of Gilda's Club Kansas City (GCKC) is to ensure all people impacted by cancer are empowered by knowledge, strengthened by action and sustained by community. Gilda's Club accomplishes this by providing an evidence-based, comprehensive program consisting of professionally-led support groups, short-term individual counseling, educational workshops, healthy lifestyle classes and resource and referral service — all at no cost to our participants. Gilda's Club vision is "so that no one faces cancer alone."

How wonderful to have the program director of Gilda's Club, Clara Anderson Sainte, join us this month to share more about this exceptional organization. After earning her bachelor's degree in psychology and master's in social work, Sainte worked as a bereavement specialist at NorthCare Hospice before becoming program director for Gilda's House in 2014. Join us to hear more about Gilda's Club and the support services it offers those impacted by cancer at **3:00 on Tuesday, June 20, in the Westport Room.**

## JUST FOR FUN: THE ULTIMATE JOHNNY CARSON COLLECTION

Doc Severinsen and Johnny Carson went together like peanut butter and jelly, so it is only fitting we relive the best moments of *The Tonight Show Starring Johnny Carson*! Culled from 30 years of material, this collection contains some of the most inspired bits of lunacy ever recorded. Come laugh with us at **2:00 on Wednesday, June 14, in the Westport Room.**

## CHAPLAIN'S CORNER

May and June often go together with weddings and graduations, but the family celebrations we can count on, year after year, are Mother's Day and Father's Day. Biological parents. Adoptive parents. The ones who fathered or mothered us along the way. In the midst of our busy lives, it's good to set aside a day to honor and thank those who have given life to us in their various ways.

And as we share the meals, make the phone calls, send the gifts, or fondly remember those who are gone from our sight, here's something else to think about. The love we receive from our moms and dads (and siblings and friends and even our pets) is a reflection of God's deep love for us.

*Can a woman forget her nursing child, or show no compassion for the child of her womb?  
Even these may forget, yet I will not forget you (Is. 49:15)*

*Honor your father and your mother, as the Lord your God has commanded you, so that you  
may live long and it may go well with you in the land the Lord your God is giving you (Deut. 5:16)*

— Chaplain Kathy Hall

### MOVIE CLASSIC WITH CRITIC ROBERT BUTLER

Two desperate people have a wonderful romance, but their political views and their convictions drive them apart. Set in the period from the mid-1930s to the 1950s, this is a love story involving two markedly different people: Katie (Barbra Streisand) an idealistic, uptight, Stalin-loving political activist, and Hubbell (Robert Redford) an easy-going, athletic, All-American-type, and a talented writer. We see how their different personalities affect their relationship and how they manage despite the differences. You won't want to miss this Oscar-winning classic with Mr. Butler at **2:00 on Friday, June 2, in the Westport Room**.

## NELSON-ATKINS CURATOR RIMA GIRNIUS PRESENTS ON BOSCH AND BOUTS

Recent scholarship has led to the identification and re-attribution of two paintings in The Nelson-Atkins Museum of Art's collection of European art. Hieronymus Bosch's *The Temptation of St Anthony* (right) and Albrecht Bouts' *Christ Crowned with Thorns* (below left) came into the collection as original compositions but were subsequently thought to be by the hand of assistants or imitators. Traditional art historical methods combined with scientific means of examination have made it possible to dispel these doubts.

This fascinating discovery is the newest exhibition at the Nelson-Atkins Museum of Art and marks the first time the two paintings will be shown to the Kansas City public since this change in their authorship. The exhibition offers visitors a glimpse into the type of research that takes place behind the scenes in museums — and we're fortunate to get our own sneak peek before it opens when Rima Girnuis returns this month to debut this exciting new exhibit. You won't want to miss her presentation at **3:00 on Thursday, June 22, in the Westport Room.**

## PIANO AND VIOLIN DUO TO PERFORM AT BSP

Two accomplished musicians come together this month to perform beautiful selections on piano and violin. Currently concertmaster of the Saint Joseph Symphony, violinist Chun-Chien Chuang has performed on stages across the U.S., Europe and Taiwan. Her husband, pianist John Villaveces, is professor and collaborative pianist at University of Central Missouri, as well as music director at St. John LaLande in Blue Springs.

Please join us as we delight in the melodic sounds of this husband-wife duo at **3:00 on Thursday, June 15, in the Madison Living Room.**

## KANSAS CITY ART INSTITUTE'S DONNA HOUTTEMAN

Donna Houtteman is the leading voice behind the Art Sofa Series for Continuing and Professional Studies at the Kansas City Art Institute. Although she doesn't call herself an "art historian," her passion for art and enthusiasm for the history in which it was made is quite contagious. Ms. Houtteman returns to BSP at **3:00 on Monday, June 12, in the Westport Room.**

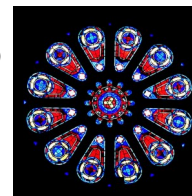

## BOWWIND TRIO SUMMER CONCERT

The BowWind Trio is back with another program of lively flute and string melodies! The ensemble is led by arranger/composer/woodwind performer Greg Briggs and presents an eclectic blend of light classical works. Join us for an enchanting performance at **3:00 on Friday, June 23, in the Madison Living Room.**

## STAINED GLASS WINDOWS OF CENTRAL UNITED METHODIST CHURCH

The breathtaking stained glass windows of Central United Methodist Church are some of the most beautiful in Kansas City. Twelve showcase windows encompass the whole sweep of Biblical history, starting with the Old Testament at the west end of the transept around to the New Testament on the east wall. The great balcony window glorifies the living Christ as envisioned by St. John on the lonely island of Patmos.

Please join us as we view these awe-inspiring windows on **Wednesday, June 21. The BSP bus departs at 2:00.** Seats will go quickly, so please be sure to sign up with a concierge.

## THE GREAT COURSES: MUSEUM MASTERPIECES OF THE MET

In his visually-rich lectures, Professor Richard Brettell takes us again through The Metropolitan Museum of Art on a personal tour driven by his enthusiasm and ceaseless curiosity. This month, lectures seven and eight (European Paintings II and III: 16th-17th Centuries and 18th Century) will be at **3:00 on Thursday, June 29, in the Westport Room.**

## SPEAKER SERIES: VETERAN KC JOURNALIST BARBARA SHELLY

Barbara Shelly knows Kansas City. As a veteran opinion columnist, metro columnist, editor and reporter for *The Kansas City Star* and current contributing writer for *The Pitch*, frequent guest on KCPT's "Week in Review" and contributing reporter on *KCUR*, Shelly has had her finger on the pulse of metro news since she first began writing for *The Star* in 1984. Shelly specializes in writing about Missouri and Kansas state governments, schools and colleges, as well as health care, and is considered a leading opinion writer in the region.

After graduating with her bachelor's degree in journalism from Penn State University, Shelly cut her teeth as a cub reporter for *Reading Times* and *Syracuse Post-Standard* before moving to Kansas City to begin her celebrated career with *The Star*. She has fascinating stories to share, so come hear her speak at **2:30 on Tuesday, June 13, in the Westport Room.**

## SPEAKER SERIES: KEVIN JAMISON, CO-FOUNDER VETERAN COMMUNITY PROJECT

Retired after 20 years in the United States Marine Corps, Kevin Jamison did three tours in Iraq, was part of the embassy evacuation in Albania in 1997 and part of the U.S. operation in Haiti in 1994. Upon graduating from Park University with a bachelor's in social psychology, he began working with homeless veterans in Kansas City. Having to say "No" to a homeless veteran in need led him to co-found Veterans Community Project.

The Veterans Community Project (VCP) is on a mission to eliminate Veteran homelessness by providing transitional-housing and enabling access to exceptional 360-degree service solutions. Focusing first in the Greater-Kansas City area, VCP aspires to use Kansas City as the blueprint for achieving similar successes in cities across the United States. VCP is determined to fulfill the unmet needs of homeless veterans in Kansas City, with a long-term goal of eliminating veteran homelessness nationwide. Join us to hear about Jamison's incredibly worthwhile venture at **3:00 on Thursday, June 8, in the Westport Room.**

## ZSOLT EDER CLASSICAL TRIO RETURNS TO BSP

We're eager to welcome back Zsolt Eder with another classical trio of his making! Born in Budapest, Hungary, Eder maintains a busy schedule of concerts while teaching violin at UMKC. His keen interest in historical performance practice has allowed him to study on period instruments with some of the world's elite musicians, and he has performed all over the world.

Eder has prepared a program of classical treasures that his trio will perform at **3:00 on Tuesday, June 27, in the Madison Living Room.**

## GARDEN TIME

The Garden Committee's annual expedition to buy plants for the Memorial Garden took place early in May, and the day ended with all the plants in the ground. You can find several shrubs — crepe myrtle, butterfly bush and sweetspire. Nostalgia demanded hollyhocks; other tall flowers include coneflowers and milkweed. Other new flowers are coleus, impatiens, coral bells and zinnias.

The urns beside the bench have hibiscus with dark pink blossoms. And — we have a miracle: the tree peony that was planted some years ago as a memorial to India Philley and was broken off at the ground last year, has come up again and is blooming!

## “FRIENDLY NEIGHBOR COMMITTEE” UPDATE

Friendly Neighbors,

We have been given another opportunity to make BSP special for all of us. Friendly Neighbors will be reaching out to those residents who have needs that require them to be in York. We are asking for volunteers to visit our friends one day a week, or a day once a month.

We will help you choose the best time for you to volunteer and will guide you as to how to approach our friends, ideas for conversations, and the best times to visit a friend in York. If you are interested, contact Janet Klem or Barbara McCool.

## NELLIE'S CLOSET COMES TO BSP

Remember our lovely friends from the Clothesline, who used to bring their market to us? After Debbie's retirement about three years ago, we have not had a replacement — until now! Nellie's Closet used to be a store front, but now is a traveling and on-line marketplace. We're excited they'll be traveling to Bishop Spencer Place this month and setting up shop in the **Madison Living Room from 10:00-3:00 on Wednesday, June 14.**
