Chaplain's CORNER

In December, we are bombarded with bargains, swamped with seasonal music, and inundated with invitations to this party or that performance. It's a busy, exhausting, delightful time of year for everybody, whatever their reasons for the season.

For Christians and Jews, December is a holy month. Christians celebrate the birth of Jesus, the central figure of Christianity, on December 25. Jews celebrate the feast of Hanukkah, which marks the rededication of the Second Temple after the Maccabean Revolt, lighting candles for eight days beginning on December 2 this year.

In our current divisive climate, may this December remind us of things we do have in common. Families and the joy of gathering together. The desire to give good gifts to our loved ones, including gifts that cannot be purchased: a compliment, a listening ear, a shoulder to lean on. And for people of faith, the love of God, who created and sustains our world and everyone who lives there.

The people walking in darkness have seen a great light; on those living in the land of deep darkness a light has dawned.
(Is. 9.2)

CONGRATULATIONS!

BPS is pleased to announce that Roberta Butler from the EVS Department is the employee of the quarter for the third quarter. Please congratulate Roberta when you see her!

Those mid-November snows quickly eliminated nearly all of our flowers. But we have a few surprises ready for next spring!

A Mystery is Alive in Bishop Spencer Place

The Shadow may know, but we do not know from whence came our five Columbines. One of these, a Golden Columbine, appeared first in our Memorial Garden in spring 2017. Vicki Johnson identified it properly. It is one of many variations of Columbines that have grown in North America for 10,000 to 40,000 years.

Spring 2018 surprised us with four other Columbines in four different colors. But some time last summer, three of these disappeared. The work of an overly-ambitious grounds keeper?

We can find no knowledge or record of the purchase of any Columbines, ever, for the Memorial Garden. We have come to the conclusion that the seeds for these beautiful and welcome plants have been deposited by robins or perhaps a fortuitous wind. Can any resident solve this mystery? The Shadow has retired.

Hope all enjoy a happy holiday season and save your spent flower bulbs for the Garden Committee!
