# Chaplain's CORNER

February is the shortest month of the year but it's long on celebratory occasions.

On February 2, we can celebrate the imminent arrival of spring—unless Punxsutawney Phil doesn't see his shadow. FYI, Phil sees his shadow 9 out of 10 times.

February 3 is Superbowl Sunday: football, commercials, parties—something for everybody!

February 12 and 22 are the birthdays of Presidents Lincoln and Washington; on February 18, we honor all presidents—and get great deals on everything from cherry pies to appliances and more.

February 14 is Valentine's Day, of course: cards, candy (heavy on the chocolate, please), flowers, phone calls, going out to dinner—telling the ones we love that we love them.

On February 24 it's the Oscars, and if you can stay up for the whole thing that's something to celebrate as well!

Also, February is African American history month, during which, in the words of President Gerald Ford, "we honor... the accomplishments of black Americans in every area of endeavor throughout our history."

Much to celebrate this month, and much for which to be thankful.

*I will thank the Lord with my whole heart* (Ps. 9:1)

Sorry, but there is no news for February! I looked out my windows in mid-January, ready to prepare my Garden Notes. All that I could do was to admire the most beautiful and bountiful snow adorning our fruitful crab apple trees in the Memorial Garden. I cannot remember enjoying a snowfall as captivating as this one.

Please excuse my absence until March when spring should begin busting out all over!
