## A few words from the CEO...

Hello, and thank you for the friendly welcome into your community. I want to thank those of you who were able to attend our recent town hall on February 13. We were pleased to be able to present a lot of great information, including how the community finished up financially last year and how the budgets look for this year, plus an update on capital projects, such as the Canterbury Dining Room and the Madison Living Room. We also had the team from the Saint Luke's Foundation on hand to provide some information on launching the fundraising campaign for our new memory care community. You can see some artist renderings of this new addition in the hallway next to the Bistro.

I hope everyone is staying warm and dry. Please feel free to stop by or call with any questions—my door is always open.

Warm regards,  
Dee Dunn, CEO

BSP welcomes Kansas City, Missouri, Mayor Sly James.

Sly James grew up on the east side of Kansas City and graduated from Bishop Hogan High School. There, he was the lead singer of the Amelia Earhart Memorial Flying Band (later renamed Manchester Trafficway). The band was the opening act for Jefferson Airplane when it performed in Kansas City. After serving in the Marine Corps, he earned his undergraduate degree from Rockhurst College and law degree from the University of Minnesota. He has served as Kansas City's mayor since 2011.

Mayor James will discuss the KC Pre-K Program Implementation Plan. The demand for high-quality pre-K exceeds the city's current capacity to provide pre-K education. Currently, only 34 percent of Kansas City's four-year-olds are enrolled in a high-quality pre-K program. Pre-K affordability and accessibility remain two of the greatest barriers facing Kansas City parents. The KC Pre-K Program's goal is to ensure high-quality, affordable pre-K is available to all Kansas City, Missouri, children in the academic year prior to entering kindergarten.

# Chaplain's CORNER

When I was in second grade, I made a St. Paddy's card for my very Irish grandmother. We all made cards that day—we were creativity central, turning green construction paper, plastic shamrocks, and glitter and into expressions of love. With the help of Elmer's glue.

Elmer turned out to be my downfall. The teacher made comments about all our efforts, going around the room till she got to me. "You use way too much glue for a little girl," she said. In retrospect, I might have shared this old Irish proverb: *A kind word never broke anyone's mouth.*

Instead, I went home and prepared to pitch my masterpiece, but Mom intervened and told me not to worry about too much glue. "Glue is like love. It keeps us together," she said. "No such thing as too much!" Which brings to mind the reverent words of Irish novelist, James Joyce: *Whatever else is unsure in this stinking dunghill of a world, a mother's love is not.*

Everyone's Irish on St. Patrick's Day, so they say. On March 17 (and all year round), may we give and receive kind words, and may we be there to mother each other when we come unglued. Happy St. Pat's!

*May neighbors respect you, trouble neglect you, the angels protect you, and Heaven accept you.* (Irish blessing)

—Chaplain Kathy Hall

## GOOD BOOKS

**Monday, March 25 | 3:00 p.m. | Chapel**

This month we will discuss *The Guernsey Literary and Potato Peel Pie Society* by Mary Ann Shaffer and Annie Barrows, available in print, electronic, and audiobook formats. Please join us!

Rain, ice, snow, fog, wind, power outage, church closings, and blizzards—with a few respites of 50 degrees—kept us all wondering last month. What could be facing us in March? For one thing, we can anticipate the first day of spring on Wednesday, March 20, at 4:58 p.m.! That hardly gives us a whole day but at least the sun won't set until 7:30 p.m.

Another happening this month is daylight saving time, which begins at 2 a.m. on Sunday, March 10! So, do we gain an hour or lose one? You won't have to worry about that if you move to Hawaii which somehow escaped the controversial changing of the clocks...but please don't. Life is ideally pleasant here in Bishop Spencer Place, which recently received the highest rating from a federal government agency.

(And if you're still wondering, we will lose an hour in March. Remember—spring ahead.)

I can already see that we have much adventurous greenery poking up through their winter covering and risking the eccentricities of our Missouri weather. It won't be too long before we'll be admiring another winning season in our Memorial Garden, happily resplendent with nature's beauty and eager to enhance our lives.

—Bobbie Ellis
