

COVID-19: January 8, 2021 BSP Community Information

Current York/Coventry Testing/Visiting Status: **Outbreak Testing**

Visits for assisted living, skilled nursing & rehab are currently suspended.

Happy New Year and welcome to 2021. We're grateful to turn the clock to another year with hope on the horizon. Today was an exciting day, as our York and Coventry residents received their first dose of the COVID-19 vaccination! Representatives from CVS will be back on-site to administer the second dose on February 5.

And to keep with the good news, we have seen a dramatic decrease in the number of residents and staff that had tested positive for COVID-19, which means that we may be able to get back to communal dining, activities, and outdoor visits very soon. Indoor visits with family will have to wait until the Jackson County positive rate drops below 10% for over 14 days. The current Jackson County positive rate is 15.3%.

What's Ahead?

Monday, January 11: 2 p.m. Channel 1851, Howard's End

Howards End is a 1992 romantic drama film based upon the 1910 novel of the same name by E. M. Forster, a story of class relations in turn-of-the-20th-century Britain, and stars Emma Thompson and Anthony Hopkins.

Tuesday, January 12: 2 p.m. Channel 1851

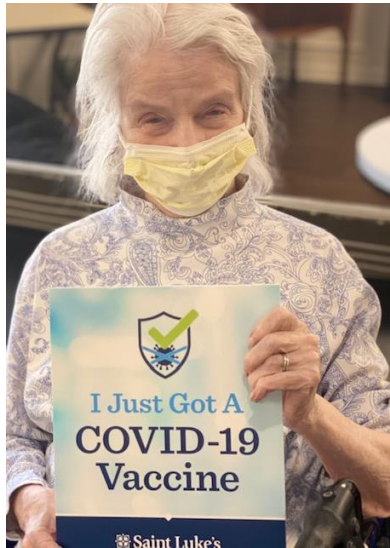

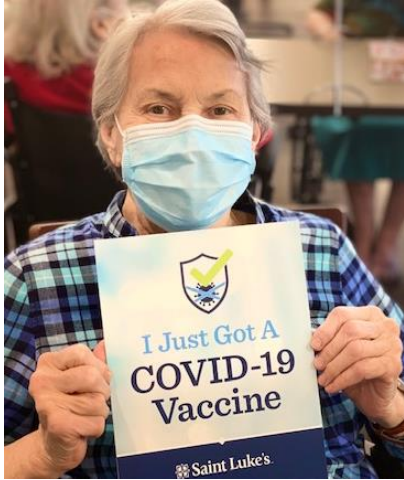

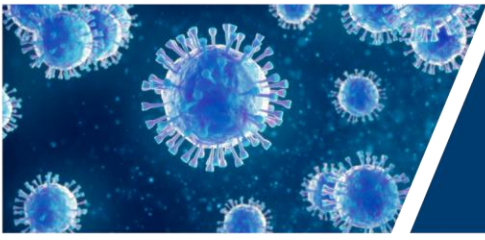

We will show the first two episodes from the first season of "All Creatures Great and Small." We hope you enjoy the classic (original) PBS series. Thank you for your patience as we were unable to start this past Tuesday since the DVD wasn't available!

Wednesday, January 13: 3 p.m. Channel 1851

In our Great Courses class this week, we will learn from Professor Brettell about "Impressions in the Countryside" and "Paris Under Siege."

Friday, January 11: Starting around 2:30 p.m.

It's National Hat Day! Make sure you sport your best hat (funny or fancy) and we'll be by to see you at the second Friday PB&J-sponsored Mocktails and Cocktails Happy Hour! (Door to door delivery).
