### A few words from the CEO

As we move into August and approach the end of summer, things here at Bishop Spencer Place keep moving forward with the tremendous support of our residents and our colleagues.

The new Memory Care unit is moving along with the demolition stage advancing quickly, the renovations to the Westport Room will have been completed when the August edition of *The Ambassador* is released, and we are beginning several other projects.

We have seen new residents join our community, and the community has fully embraced them as members of our family. We currently have scheduled move-ins to Independent Living in August and September.

I wanted to share a few of my favorite quotes this month that I refer to on a regular basis:

*Be the change that you wish to see in the world.*  
—Mahatma Gandhi

*There is no greater agony than bearing an untold story inside you.*  
—Maya Angelou

*Peace begins with a smile.*  
—Mother Teresa

*There are three ways to ultimate success: The first way is to be kind. The second way is to be kind. The third way is to be kind.*  
—Mister Rogers

*What you do speaks so loudly that I cannot hear what you say.*  
—Ralph Waldo Emerson

*Charlie Brown once said, "We only live once, Snoopy." Snoopy responded, "Wrong! We only die once. We live every day."*

Thank you for allowing us to work in your homes and for allowing us to be part of this special community.

Louis

### Memory Care Plans and Reception

Thursday, Aug. 8 | 2:30 p.m.

Bishop Spencer Place has been Kansas City's premier retirement community for more than 25 years. Beginning in 2025, we will introduce our specialized memory care community for individuals and families affected by dementia, Alzheimer's, or other memory-loss conditions. **On Aug. 8, we will unveil the memory care renderings.** Following the presentation, there will be a reception and tours of our new PPS Therapies gyms.

### Memory Plaque Rededicaton

Thursday, Aug. 15 | 1 p.m. | Bishop's Garden

With construction of the first-floor memory unit underway, the plaques in the Memory Garden have been relocated to the Bishop's Garden below the Canterbury dining patio. All are welcome to attend a brief service of rededication and remembrance. The Rt. Rev. Diane Jardine-Bruce will be in attendance.

### August

August is here; within the ivy leaves

The bees make mournful music,  
and the sea

Is pale with presaged Autumn  
and wild songs

Wanton upon the waves...  
Strange spirits speak

Within the dusk-winds; phantom-  
hands implore

Sweet Summer back again. The  
sunshine stands

Reluctantly upon the mountain-top

Smiling farewell to the awaiting waves.

Already evening brings a scent  
of frost,

And late the white dew lies upon  
the lawn.

The harvest moon grows pallid  
in the sky,

And far the stars seem on their  
sapphire thrones.

August is here, and soon  
September's chill

Will fade the flowers in their  
glowing beds;

Love, only Love, survives the  
Season's change.

Art Experience with  
Nina Irwin

Thursday, Aug. 1 | 1 p.m.  
Activity Center

Nina is back this month with another creative project. **This past month we channeled**

**the Swiss-German expressive artist, Paul Klee.** Nina has been coming to BSP with her art knowledge and her compassion for two years, with classes in our independent living, assisted living, and skilled nursing areas. We are so fortunate to have her.

Reserve your spot by calling Helen at **816-595-5015**.

Nina's parents were both creative—an artist and a musician—and Nina grew up surrounded by classical music, art, and literature. But she spent a number of years in college, studying various subjects before finally focusing on art. You can learn more about Nina and her artwork at **ninairwin.com**.

**You don't need any training or artistic abilities, but you will certainly benefit**

**from participating. Nina keeps amazing us with new art history topics each month as we learn how art weaves into our lives.**

Art & Entertainment

Great Ballet Music with Don Dagenais  
Mondays, Aug. 5, 12, 19, & 26 | 3 p.m. | Westport Room

Many of our greatest composers were known, among other things, for writing music for the ballet. In this course, Don Dagenais will play videos from dozens of different ballets from the 18th century to the present, illustrating not only the wonderful music composed by such masters as Gluck, Chopin, Weber, Tchaikovsky, Prokofiev, and Copland, but also showing the interesting dances that choreographers have matched with this music. He will present eight classes for us on Mondays over the next two months (with no class on Labor Day, September 2).

From the Movie Committee  
The movie committee has shown 109 movies since its inception. We meet at 2 p.m. in the Pub the first Wednesday of the month. If you have a movie you would like to see, tell one of the members of the movie committee.

We do have a few rules for movie selection:

- 1. The movie must be available at the Kansas City Public Library.
- 2. The movie cannot be over 2 ½ hours long.
- 3. We do show R rated movies; however, we do not want movies that have an excess of violence, gore, or sex.

Members of the movie committee are Carol Chatten, Sheila Cone, Jim Houston, Niki Ehernberger, and Barb Buehrer.

We have a good selection of movies for August, so we hope you will join us for one or more of these movies.

As a freshman in college majoring in a ministry degree, I was required alongside all other incoming freshmen to take a course called Intro to Ministry. One of the first topics we explored was what it means to be *called* to ministry. Looking back, I can see that I had a rather narrow view; a person who feels led to work in a church or Christian ministry as an ordained person may say they have a calling. Over time my definition expanded, and I began to see that a lot of people can experience a sense of calling or purpose toward many kinds of work.

A calling is more than a particular job or role or season or place. A calling is the thread that connects the things in which we are involved to the meaning we make of our lives.

My first calling matched the extent of my experiences at that time in my life. I felt deeply compelled to work with orphans in Mexico. Over the course of my career so far, I've worked as a children's pastor, hospital chaplain, and now, retirement community chaplain. On one hand, being a chaplain is quite different from that first calling. On the other, I can see the invisible thread that led me from one thing to the next, a vocation guided by my call to care for people in an environment other than my own familiar context. These days, I also feel called to parenthood, being a local tourist, and learning to play the piano again. Each of these things is woven into the work of being who I feel called to be.

Had I limited myself to only ever pursuing that first call, I would have missed so many opportunities to explore a sense of calling in other contexts that have been incredibly meaningful to me.

I wonder if you can remember the first time you felt a sense of purpose and calling. I wonder if you can trace the thread from that moment to where you are now. And if the thread has unraveled at times, that's okay, too.

I pray the vast array of things to which we are all called give shape to our lives at BSP and in the wider community. May we notice our individual threads being woven into a beautiful tapestry offering hope to the world around us.

With love and care,  
Chaplain Janette
